

ET97D2

A close-up photograph of the shower head and control knobs. The shower head is a large, cylindrical, chrome-finished unit with multiple spray nozzles. It is mounted on a wall. To its left are two control knobs, also chrome-finished, with a circular design. A vertical chrome bar is visible on the far left.

2-way built-in shower mixer set on ultra-flat rectangular plate,
including: mixer, 2-way diverter, water connection with holder, brass
hand shower and 150cm flexible hose.
To be completed with the second water outlet.
